Part A: Pupil Premium Strategy Plan

Statement of Intent

As a school, we put 'quality first teaching' at the heart of our ambition to deliver broad and balanced curriculum. Based on research, this has got the greatest impact on closing the attainment gap and also benefits every pupil within the school community.

Pupils at GANF will make at least expected progress, in line with their personalised targets, in literacy and numeracy, through high-quality teaching. We aim for disadvantaged pupils to have access to a wide range of interventions and strategies in school to meet their SEND needs. In our latest Ofsted report, they recognised how Pupil Premium pupils demonstrate "outstanding progress" across our curriculum.

We will provide an intensive pastoral support service for pupils and for parents/carers with a focus on well-being and self-regulation strategies. We will aim for disadvantaged pupils to increase their engagement at school, therefore diminishing the difference between themselves and non-disadvantaged pupils and thus enabling them to experience the full learning experience at GANF.

We will facilitate pupils accessing a wide range of enrichment experiences both in and out of school, which will positively impact on their academic achievement and well-being.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Eligible for PP pupils may lack life experiences and opportunities for community participation.
2	Eligible for PP pupils may have a lower emotional literacy level than their peers within school and may not come to school ready to learn.
3	Eligible for PP pupils are at a further disadvantage with their speech and language development as well as social skills.
4	Eligible for PP pupils may have a more complex home lifestyle impacting attendance and lower parental engagement.

Strategy Aims

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Academic Achievement	
Intended outcome	Success criteria
PP Pupils make at least expected progress, in line with their personalised targets in English, Maths and PSHE.	PP and Children in Care pupils will sustain outstanding outcomes in curriculum areas.
PP pupils access interventions and strategies, including AAC, to develop communication skills.	As their SEND needs are being met, PP pupils are to make at least expected progress or more in this area.
PP pupils have access to enrichment activities outside the classroom.	Enrichment is part of the curriculum offer as well as individual timetables.
Wider Outcomes	
Intended outcome	Success criteria
PP pupils access support from the Pastoral team and relevant interventions to develop strategies to manage mental health and wellbeing.	Pupils are provided with pastoral support to raise self-esteem, resilience and to fulfil mindful lives.
PP pupils have appropriate strategies to develop self-esteem and pro-social behaviours to engage in wider community.	Pupils have access to relevant support, e.g: emotional literacy, community visits, and therapies.
PP pupils have appropriate strategies to develop self-regulation techniques.	Behaviour incidences continue to reduce due to wide range of strategies-from whole school to individual programmes.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Activity	Evidence that supports this approach	Challenge number(s) addressed
<u>All pathways:</u> PP pupils have access to high quality teaching, on their specific curriculum offer.	Lesson visits Work scrutiny Deep dives Learning journeys Parent surveys	1, 2, 3
<u>Formal Curriculum and GCSE Curriculum:</u> Progress of PP pupils to be in line or higher than their peers in English and Maths.	Assessment tracking data Curriculum Lesson visits Work scrutiny Deep dives	1, 2, 3
<u>Semi-formal Curriculum and EYFS Curriculum:</u> Progress of PP pupils to be in line or higher than their peers, with an emphasis on early communication, literacy and mathematics.	Assessment tracking data Curriculum Lesson visits Work scrutiny Deep dives	1, 2, 3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Activity	Evidence that supports this approach	Challenge number(s) addressed
Enrichment & Physical Activity	The use of movement breaks and planned activities to support their attention and increase their readiness to learn.	1, 2, 3

	<p>The use of sensory circuits and play-based approaches to support learning.</p> <p>Targeted interventions to support individual needs, as and when appropriately required.</p> <p>The Cultural Capital agenda within the Ofsted framework.</p>	
<p>School Tutor and Intervention model to diminish the difference in learning gaps and deepen understanding, knowledge, skills and concepts in specific learning areas for PP pupils. This includes oral language and communication interventions.</p>	<p>The use of 1:1 and small group tuition to support the continued teaching and learning of PP and vulnerable pupils.</p> <p>The EEF Toolkit suggests that targeted interventions matched to specific pupils, with specific needs can be effective, especially for older pupils</p> <p>Speech and language interventions, in conjunction with advice from external agencies.</p> <p>Access to appropriate technology, if necessary.</p>	1, 2, 3

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>To develop the emotional literacy of specific PP pupils enabling them to be ready to learn.</p>	<p>Access to emotional literacy specialists trained at GANF and external support services, delivering interventions, and sharing expertise within and beyond the setting.</p>	2, 4

Self-esteem, self-regulation, and pro social behaviours	<p>The use of regular mindfulness sessions across the school and therapies to support with self esteem</p> <p>Access to sensory circuits for pupils and alternative therapies for specific pupils to self-regulate.</p>	1, 2, 3, 4
Pastoral team to support mental health and wellbeing, attendance and individual pastoral needs.	<p>Schools should consider how best to use their pupil premium resources to provide support for mental health difficulties where appropriate. they should ensure they have clear systems and processes in place for identifying possible mental health problems, including routes to escalate and clear referral and accountability systems.</p> <p>Attendance is a key focus for the schools White Paper, Opportunity for all, published in March 2022 and which included a pledge for a national data system “to drive up attendance and make it easier for agencies to protect vulnerable children”.</p>	2, 4
To create positive behaviour change in pupils whose behaviour is a barrier to learning.	<p>Intervention programme of pupils with appropriate role models to improve behaviour.</p> <p>Establish the role of the Behaviour Team to continue to promote pro-social behaviours. This includes a Behaviour Mentor and TA2's, who provide additional support.</p>	1, 2, 4

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2021 to 2022 academic year.

Current data shows the following regarding pupils who met their end of year targets: Within English and PSHE pupil premium pupils achieved their targets in line with the non-pupil premium pupils. Within maths more pupil premium pupils achieved their targets than non-pupil premium pupils.

Bullet points from EEF report

- EEF Behaviour Interventions – The use of targeted approaches that are tailored to pupils' needs.
- EEF Feedback - Feedback redirects or refocuses the learner's actions to achieve a goal, by aligning effort and activity with an outcome. It can be about the output or outcome of the task the process of the task the student's management of their learning or self-regulation.
- EEF Mastery Learning – The use of teacher-led, whole-class teaching; common lesson content for all pupils.
- EEF Self-Regulation - Self-regulation and metacognition strategies work through pupils monitoring and evaluating their own learning strategies.
- EEF Oral Language - Explicit discussion of either content or processes of learning, or both, oral language interventions aim to support learners' use of vocabulary, articulation of ideas and spoken expression.
- EEF Physical Activity - It is crucial to ensure that pupils' access to high quality physical activity for the other benefits and opportunities it provides.
- EEF Reducing Class Size - Reducing class size can have positive impacts on pupil outcomes when implemented with socioeconomically disadvantaged pupil populations.
- EEF Early Years Toolkit – Early literacy and communication and language - They are based on the idea that children's language development benefits from approaches that explicitly support communication through talking, verbal expression, modelling language and reasoning.
- EEF Teaching Assistant Interventions - Targeted deployment, where teaching assistants are trained to deliver an intervention to small groups or individuals has a higher impact.
